Dear Dr. [REDACTED] 25X1A5a

I have received your letter of August 27 and, as you requested, we have made the reservation for you at the Roger Smith Hotel, beginning September 8. For your information, your four colleagues on the Consultants Panel will also be staying there.

We hope you will find it possible to reserve Thursday, September 10, for dinner. We would like to have you and your fellow consultants, together with a number of us in the Agency, for cocktails and dinner at the Kenwood Golf and Country Club beginning at seven o'clock.

I am sure it will be quite practicable for you to plan to leave Washington late Friday afternoon. We anticipate the proceedings will be completed by that time.

We are looking forward to your arrival.

FOIAb6 Sincerely,

Otto E. Guthe
Assistant Director
